General Conditions: Please note the terms of business are different when purchasing frozen and chilled semen.

For frozen semen - £510 + VAT per dose (six straws per dose):

1. Frozen semen will be despatched directly from Stallion AI Services upon confirmation of receipt of cleared funds by Tivoli Stud.
2. One dose contains six straws of semen. Storage of unused straws is the responsibility of the recipient. Tivoli Stud bears no responsibility for the storage or handling of frozen straws upon receipt by the delivery address.
3. Tivoli Stud will endeavour to ensure doses are despatched in accordance with the agreed time frames however, we cannot be held responsible for delays or non-availability of semen due to unforeseen circumstances.
4. Covering certificates will be issued by Tivoli Stud after the 31st October 2024.

For chilled semen - £650 + VAT per dose:

1. Chilled semen will be collected and despatched by Tivoli Stud. Collection, packaging and postage fees apply please contact Caroline on 07712 671211 for more details.
2. No foal terms. When Tivoli Stud is notified in writing by a veterinary surgeon, that a mare is deemed not in foal prior to 1st October 2024, the mare may return for collection in the 2025 season. Please note additional collection and courier charges will apply.
3. Tivoli Stud will endeavour to ensure semen is collected when required. However, we cannot be held liable for delays due to unforeseen circumstances or non-availability of semen.
4. Covering certificates will be issued by Tivoli Stud after the 31st October 2024.

I hereby accept the terms outlined above for Frozen/Chilled (please tick which applies):
